

venue hire

Are you looking for a unique and sustainable venue?

HHP's Sustainable Resource Centre is available for use by community groups, businesses, organisations and societies, and makes an inspiring alternative venue.

Capacity

The SRC has a wide range of options to meet different usage requirements

- **Theatre style** 30 - 40 delegates
- **Workshop layout** 10 - 20 delegates

In warmer months you can make use of outdoor space around the building. Please contact us to discuss particular requirements.

The setting

Hockerton Housing Project is certain to inspire attendees. As well as the tranquil backdrop of the environmental houses & wildlife ponds, you will be using one of the most energy efficient buildings in the UK.

Features include a green roof, solar hot water system, wind-generated electricity, compost toilets, and recycled furniture. You don't have to have green credentials to use it, but the venue is sure to influence and enlighten you!
