

## Are you looking for a unique and sustainable venue?

Hockerton Housing Project's eco venue is available for hire by community groups, businesses, organisations and societies, and makes an inspiring alternative venue.

### Capacity

The venue has a wide range of options to meet different usage requirements.

- **Theatre style** 30 - 40 delegates
- **Workshop layout** 10 - 20 delegates

In warmer months you can make use of outdoor space around the building, and our marquee.

### The setting

Hockerton Housing Project is certain to inspire attendees. As well as the tranquil backdrop of the environmental houses & wildlife ponds, you will be using one of the most energy efficient buildings in the UK.

Features include a green roof, solar hot water system, wind and solar generated electricity, compost toilets, and recycled furniture.

EV charging is also available by arrangement.

### Facilities

The following facilities are available and included in the venue hire price:

- LCD Projector & laptop
- Video & DVD player
- Flip-charts (3)
- Refreshments
- Toilets with disabled access
